How Much of Your Natural Genius Are You Living Right Now?

Rate the following 12 statements on a scale of 1 - 5, 5 being the highest:

I live the best possible unique ME all the time.

I contribute with my powerful creativity all day long because I know my unique view is valuable.

I see new opportunities to express my unique capabilities every day.

I ask for plenty of money for my unique talents and capabilities because I know I am worth it.

I like myself for who I am.

I never feel embarrassed for being different because I know my unique contributions are irreplaceable.

I make mistakes without punishing myself for them but let them genuinely expand me.

I enjoy what I do every day no matter what it looks like in any given moment.

I enjoy the uniqueness and difference in others because I know they complement me.

I surround myself with people who cheer me on to be the best possible me.

I say no to distractions, self-doubt and negativity because I recognize them as the key saboteurs for my genius.

I always look for new ways to challenge and develop my genius abilities.
