Strengths and Challenges

Why is this form important?

At Genius Coaching®, we focus on your ability to fully develop your innate talents and strengths. Our goals are to first address the challenges that brought you to this office and second, to offer you the opportunity of improved success and quality of life and career in the future. On a daily basis we all experience physical, biochemical and psychological/emotional stress that can accumulate and result in unusual behavior or habits. Most times the effects are gradual and may not even be felt until they become serious. Answering the following questions will give us a profile of the specific stress past and present you are facing and allow us to better assess the challenges to their development potential.
